

..... Visits Santa Today

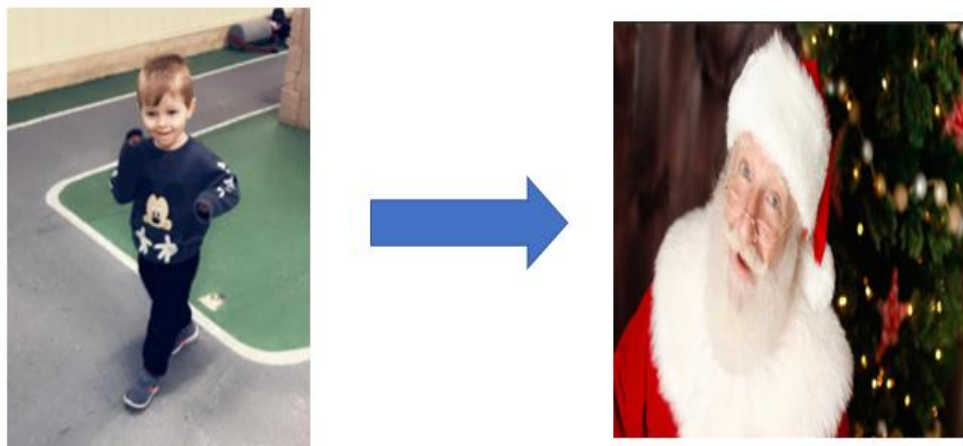

After lunch, I will go to visit Santa at the local
garden centre

I am booked to see Santa at 12.30 but if they are running late I might need to wait in a short line

When it is my turn to visit Santa I will stand beside him and my mummy will tell Santa what I want

Mummy will take a picture of me so I need to
look at mummy's camera and smile

After the picture its time for me to go home with
mummy. I can wave bye and mummy will say
thankyou

I learned about visiting Santa today
